

"JUNGLE RULE"

*If your ball is lost, unplayable or out of bounds, a ball may be dropped within two club lengths of the point where the original ball has been deemed to cross the margin of the area in which it was lost or unplayable or O.B. with a **ONE STROKE PENALTY.***

In this diagram, a player's tee shot (represented by the line), came to rest in the trees. If this player decides to utilize the Jungle Rule, he/she may drop within 2 club lengths of the point where the ball last crossed the margin of the condition in which it is deemed lost or unplayable; in this case, the tree line. The correct drop is noted as "Yes."

The area noted as "No!!" is not an option for utilizing the Jungle Rule. The player MAY NOT come out sideways at the point where the ball comes to rest or take more than 2 club lengths from the point where the ball last crossed the margin of the tree line.
